

Los Angeles

February 8th – We held a very successful blood drive on campus. Over 100 pints of blood were donated by ACC students! Thank you to everyone who participated!

March 2nd – A raffle was held for all those with perfect attendance. The winner received a \$10 gift card.

Orange County

February 4th, 10th, 18th and 24th – We held orientations welcoming our new students to the Orange County campus. Many new students began training for new careers this month!

February 20th – The first half of our GED testing was held. Our GED program helps students with test preparation and on-campus exams.

February 27th – The second half of our GED testing took place. Great job to all who took the first step toward a new career!

Ontario

February 20th – The first half of our on-campus GED testing took place.

February 27th – The second half of the GED testing was held. 29 students passed the exam this time around. Congratulations everyone!

February 28th – All GED students who passed this month's exams were entered into a raffle for a flat screen television. Good luck to everyone!
